

Year 4 Newsletter

In literacy, we are going to be reading 'The Great Kapok Tree' and learning it as an oral story. We will also be writing debates. In maths we will be doing lots of work on telling the time, statistics and shape. In science we are learning about habitats. We will also be learning about the Church in RE and in PE we will be doing athletics.

OUR TARGETS

Reading: To be able to read fluently and with expression.

Writing: To be able to use fronted adverbials for 'where'.

Maths: To recall multiplication and division facts from the eight and nine times tables.

Our whole school value this half term is:
FRIENDSHIP

PE DAY

Our PE is **Monday**. Please make sure your child always has their full kit in school. It helps if children have their names in their kit and uniform. Earrings should not be worn for safety reasons.

HOMEWORK

Your child has been given a selection of **independent challenges** to complete during the term. These will be collected in during the last week and prizes will be given for effort.

HOME READERS

Please listen to your child reading at home if you can. Children will collect 3 house points for each read and a prize for every 15 reads. Children are responsible for changing their reading book when they need to.

If you have any questions about your child's learning, please make an appointment to see us in school.

Thank you! Miss Boardman, Miss Carr and Mrs Noone.
