## SATURDAY MORNING FOOTBALL FUN

Despite the cold weather, we had over 30 enthusiastic young players attending our football fun morning last Saturday. The coaches organised skills sessions and then the much anticipated kids against parents matches took place! Everyone had a great time and then we all went inside to warm up with hot dogs and drinks. Many thanks to the parents who supported the school by bringing their children to this event - we hope you enjoyed yourselves too!

### STAFFING NEWS

Next half term we will be welcoming an associate Deputy Head to our school, Miss Culkin will be with us until the end of the summer term and will be sharing the teaching in Y4 with Miss Boardman. We wish her a successful and enjoyable time with us.

### Y5 EARTH AND SPACE ASSEMBLY

Thanks for a super Space themed assembly Y5. There were explanations of how the moon orbits the Earth and the Earth orbits the sun, as well as many interesting facts about the planets. Added to that we had singing and could see the artwork that children had produced during this topic - fabulous work Y5!

### Y6 CHEFS PRODUCE PASTA BAKES

Y6 have been examining a range of different shop bought pasta dishes, evaluating them and then designing their own dishes. This week they have used a variety of cooking skills to produce their own pasta dish - and they have even

Well done Y6, we are all very impressed with your achievements.

Y3 children enjoyed their trip to Preston to take part in a Stone Age workshop. They were archaeologists for the day and handled
