Y2 CELEBRATE WORLD BOOK DAY

To celebrate World Book Day, children in Y2 worked imaginatively using potatoes and a variety of other materials to make their favourite book characters - I'm sure you will agree we have some very creative children in Y2!

SPORT RELIEF DAY

We are supporting Sport Relief Day next Friday by asking children to bring in £1 each to wear sporty clothing at school. During the day we will all run or walk a mile to support the cause and keep ourselves fit. If any parents or guardians would like to run/walk the mile with their children, please contact your child's teacher who will let you know what time they are doing it.

Y3 VOLCANOES!

Y3 have been studying volcanoes in their geography topic. This week they have made their own volcanoes, and next week they are going to make them erupt! All the children are really looking forward to that lesson...perhaps the cleaning staff are a little less enthusiastic!

PARENTS EVENINGS

Parents Evenings will take place in the week beginning Monday 16th March. Due to training and meetings that some teachers have, different year groups will have their meetings on different days. We will put booking sheets up on Monday in the covered area where Y1 meet in the morning. Please sign up quickly to get a convenient time slot.

Y4 SPANISH STUDIES!

Y4 have had a busy week—they have been tasting Spanish food as part of their geography topic on comparing countries. They have also visited the travel agent to find out about Spanish holidays and been to the library to borrow books to support their learning.

READING RAFFLE WINNERS

In February's Reading Raffle for children who have read at home, the winners were: Primrose (Reception), Victoria (Y1), Jaxon (Y2), Tulisa (Y3), Kavishan (Y4), Anna (Y5), and Josefina (Y6)

Y6 HISTORIANS

Y6 children have been doing their own research into the Anglo-Saxons and have created some non-chronological reports to evidence their learning. Great presentation Y6! If you have a child in Y6, why not pop into class to see what they have produced.

SAFETY REQUEST

We have noticed some of our families leaving the school site through the car park. This can be very dangerous as cars are reversing out of tight spaces, and small children moving quickly could easily be missed in rear view mirrors. We don't want an accident in our car park. Please could we ask all parents and guardians to keep everyone safe by using the proper paths to exit the school site. Thank you.
