Other activities could be stretching, throwing, catching, jumping, hopping or dancing to some music!</p>

# Greater Than or Less Than

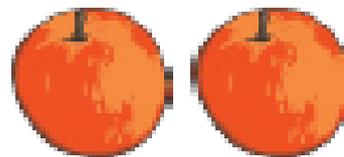

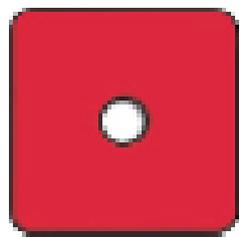

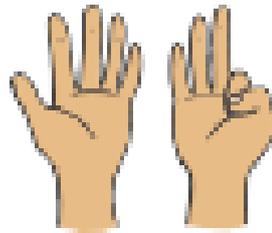

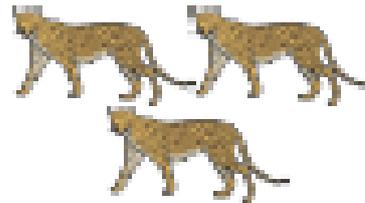

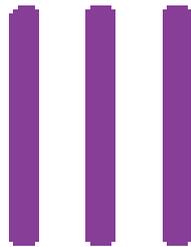

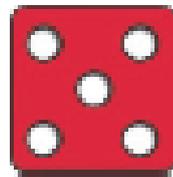

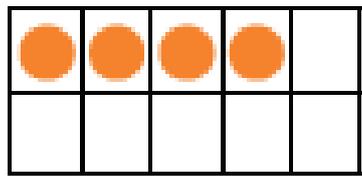

Count the winter-themed objects in each box. Then, draw the correct symbol in the middle box to show which is greater. Remember – the crocodile always wants to eat the bigger number. The first one has been done for you.

 <input type="text" value="8"/>		 <input type="text" value="12"/>
 <input type="text"/>		 <input type="text"/>
 <input type="text"/>		 <input type="text"/>
 <input type="text"/>		 <input type="text"/>
 <input type="text"/>		 <input type="text"/>
 <input type="text"/>		 <input type="text"/>
 <input type="text"/>		 <input type="text"/>
 <input type="text"/>		 <input type="text"/>

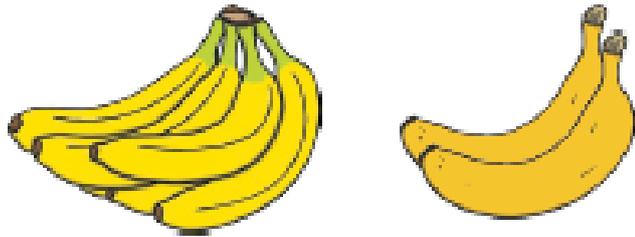

Alex has used symbols to compare these objects.

Is he correct?

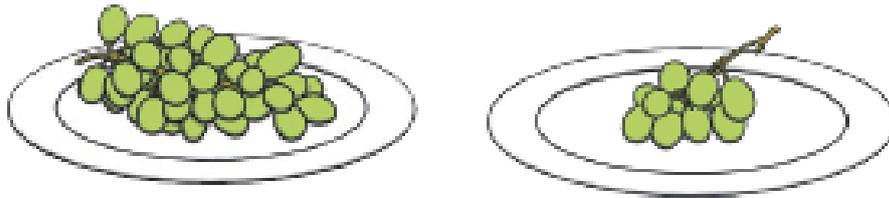

Explain your answer in a full sentence.

Circle the bunch with the most bananas.

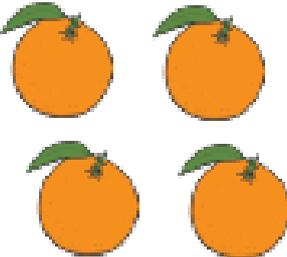

Circle the plate with fewer grapes.

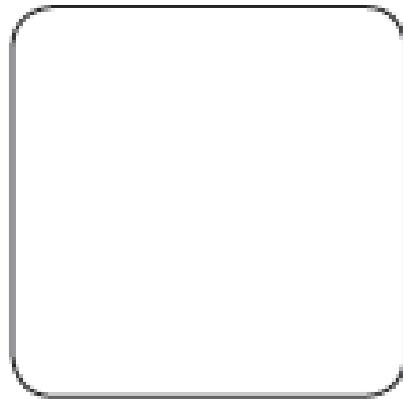

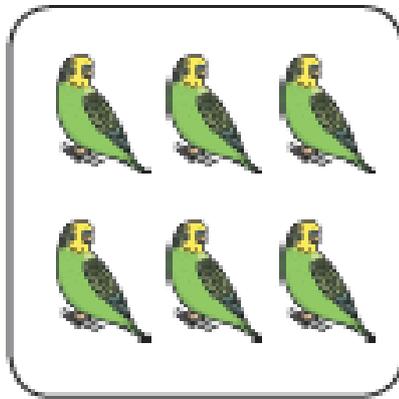

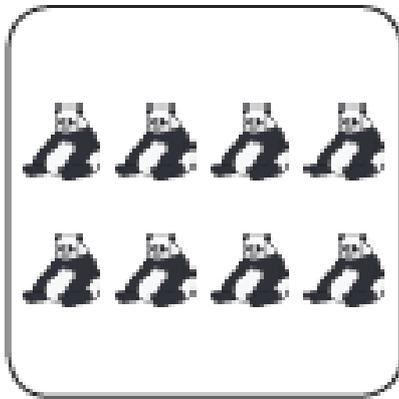

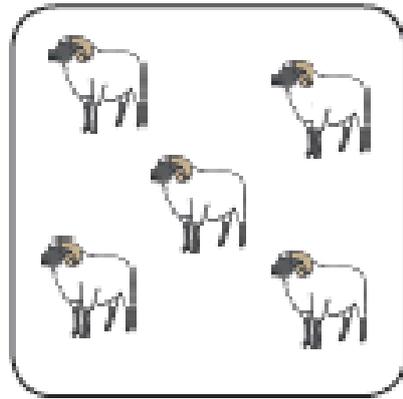

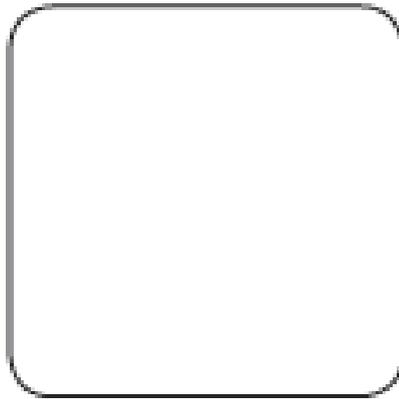

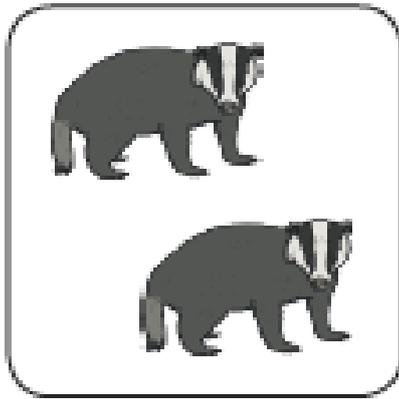

Circle the two equal groups of blueberries.

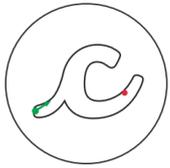

Draw some oranges in each box to make this correct.
