

Friday Newsletter 4th December 2020

Reception children have been learning about dinosaurs and thinking about how we know they existed. They have been pretending to be palaeontologists and have been looking at bones then studying fossils with magnifiers. They have developed some super enquiry skills and asked some great questions – well done Reception children!

Christmas and Coronavirus

Now that the lockdown has been lifted and we know that we will be able to see our families over the festive period, it would be very easy to take less care in the run up to Christmas.

Please could I urge all of our families to take extra care in the next couple of weeks. It would be terrible if there were to be a positive case associated with school which would mean that some of us would have to self-isolate over the festive period, potentially ruining Christmas for some families.

Thank you for your continued vigilance with our current school measures.

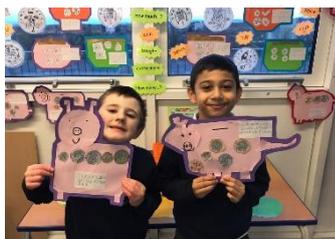

Christmas Cards

We don't want to kill off the spirit of Christmas, but it would be helpful if children **didn't** bring in Christmas cards this year. We do not want to pass any germs from house to house by sending home cards in envelopes that have been licked and handled by people who don't live in your bubble.

Christmas Jumper Day

Christmas in school is going to look slightly different this year due to Coronavirus, but we are trying to keep things as jolly as we can. We are having our Christmas Jumper day on Friday 11th December. If children haven't got a Christmas jumper, Christmas T shirts and dresses etc will be perfectly acceptable.

Year 2 Maths superstars

Year 2 have been using money in their maths lessons – they have been learning how to recognise all the coins, how to add them up and even how to work out change from small amounts. These 2 superstars have made their own piggy banks, filled them with coins and then counted up the totals.

Year 5 Rainforest topic

Year 5 have been investigating the rainforest in Geography, testing materials to see which would make the best waterproof shelter in Science and drawing pictures of the rainforest environment in Art. Logan's art work is terrific!

Children who have read 7 times this week are:

Reception: Kady

Year 1: Jayden, Daniel, Thaaranka, and Danny

Year 2: Hollie, Poppy, Amaan and Adam

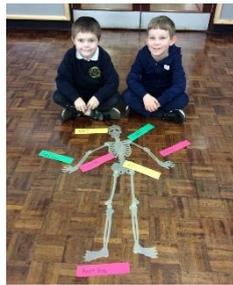

Year 3: Jessica, Jacob, Faheem, Kai, Jessica, Miah and Shauna

Year 4: Alexis, Ava and Hunnie

Year 5: Siobhan, Millie, Jamie, Kavishan, Oliver, Jayden M, Andrea, Ornela, Daria, Alfie and Callum

Year 6: Marwan, Mia, Amanah, Nawaf, Peter, Amir and Alicia

We are very proud of your achievements – keep up the good work!

Year 3 scientists

Year 3 have been learning all about the bones in the human body and can tell you what they do - how they protect the soft internal organs and help us to stand up straight and move. They have had lots of fun making their own moving skeletons and have been naming the individual bones in the body. If you have a child in Year 3, why not ask your child to name some of the bones when they come home?

Superstar certificate winners this week

The following children have all worked their socks off in class this week and have been awarded a certificate for their great attitude to learning:

Mrs Tattersall – Olivia & Abi

Mrs Guinan – Teddy & Jayden

Mrs Walker – Jacob & Sarah

Mrs Pullen – Miah & Thomas

Mrs Cowan – Kian & Hunnie

Miss Bloomfield – Logan & Jamie

Miss Stoves – Kai & Marwan

Did your child miss the flu vaccination?

For anyone that has missed the nasal flu vaccination there is to be a clinic held at Queen Victoria Centre Morecambe from 0900 am to 4pm on Tuesday 15th December. Please contact Vaccination Team on 01524 406672 to arrange an appointment.

Year 4 History and Art

These children have made Roman pots in their art lessons using the skills of rolling and coiling to make these fantastic coil pots. They look very proud of their work and rightly so. Well done Year 4 children.

Fantastic Behaviour awards

This week's awards for demonstrating great behaviour go to:

Mrs Tattersall – Nelly

Mrs Guinan - Leo

Mrs Walker – Jayden

Mrs Pullen – Tyler

Mrs Cowan – Jay

Miss Bloomfield – Layton

Miss Stoves - Alicia

Best wishes

C. Bright, Headteacher
